

# Oxford Nanopore Technologies Sequencing Seminar

EMORY  
UNIVERSITY

## Emory Integrated Genomics Core

Emory Integrated Core Facilities

**Time:** 11:30 AM – 1:00 PM

**Date:** Thursday, November 9<sup>th</sup>, 2023

**Location:** Health Sciences Research Building (HSRB1), Rollins Auditorium, 1<sup>st</sup> floor  
1760 Haygood Dr NE, Atlanta, GA 30322

Please join the Oxford Nanopore Technologies (ONT) Atlanta team and Emory Integrated Genomics Core (EIGC) for a sequencing seminar with featured talks from Walker Whitley, Account Executive, and Rebecca Smith, FAS at ONT. Dr. Lyra Griffiths, Director of the EIGC, will be present to kick things off and to support the extended Q&A and discussion to follow.

Please contact Walker Whitley at ONT ([walker.whitley@nanoporetech.com](mailto:walker.whitley@nanoporetech.com)) or the Emory Integrated Genomics Core ([eigc@emory.edu](mailto:eigc@emory.edu)) with questions or requests for consultation.

Join remotely via Zoom: <https://zoom.us/j/294261547>

Time	Talk Title	Speaker Name
11:30-11:45 AM	Nanopore Sequencing: Introduction and Innovation	<b>Walker Whitley</b> Account Executive
11:45-12:30 PM	Leveraging Nanopore Sequencing for Diverse Applications	<b>Rebecca Smith</b> Field Applications Scientist
12:30-1:00 PM	Q&A and Discussion	<b>Interactive</b>
