

SAVE THE DATE FOR...

# A SEMINAR BY VANDERBILT VACCINE CENTER WITH BERKELEY LIGHTS

*“Lead molecules against any target. At record pace.”*

*Rob Carnahan, Associate Director-Vanderbilt Vaccine Center*

**WED JULY 21, 2021**  
**11 AM-12 PM** [Join on Zoom](#)

Join us to learn how Vanderbilt set a world record by going from receipt of a COVID survivor’s blood sample to licensing antibodies to AstraZeneca in just 25 days using the Opto™ Plasma B Discovery workflow on the automated Beacon® system by Berkeley Lights.
